General VIP Information:

PRE-SHOW QUESTIONS:

When will I be notified about the details of my VIP Experience?

You will receive an email from info@vipnation.com.au approximately 3-5 days before the show. It will include all the information you will need regarding your experience and will be sent to the email address used when purchasing the tickets. Please note that the contact details provided at the point of purchase (email, mobile, mailing address) are the details used to communicate all VIP information.

What happens if I don't hear from you via email?

Please check your junk or spam folder first. If you have not received your email a few days out from the show, please contact us at vip@livenation.com.au. It is your responsibility as the purchaser to follow up information if you have not received it from us 3-5 days prior to the show.

Who is the 'original purchaser'?

For Ticketek purchases, the 'original purchaser' is the person whose ticketing account the Experience was bought through. For Ticketmaster purchases, the 'original purchaser' is the person whose credit card was used to make the purchase. For any other Ticketing sites please contact us at vip@livenation.com.au

What if someone else bought the VIP Experience for me?

We understand that there are circumstances where an Experience may be purchased as a gift; or on behalf of a family member or friend. In such situations, the 'original purchaser's' name must be known and stated at check-in, and proof of purchase (confirmation email) will be required in order to check-in and receive your benefits.

Can I use a VIP Experience purchased via another website?

We strongly discourage the purchasing of VIP Experiences via outlets other than Live Nation and our official ticketing partners, as we cannot guarantee the authenticity of the purchase. If an Experience has been purchased from a third-party site (e.g. eBay, viagogo, Gumtree) you must know the original purchaser's name and supply the original proof of purchase from the official ticketing agency at check-in, as outlined previously.

Please note: all VIP Experience information will be sent to the original purchaser, so you will need to ask them to forward any VIP information to you if you have purchased an experience off anyone.

Live Nation VIP reserves the right to cancel the package and/or refuse entry to any patron/s unable to provide the appropriate supporting documentation; this includes the concert ticket. These measures are taken in order to prevent scalping and ensure VIP Experiences and tickets are not purchased by more than one person.
